## The Mystery

Three classes at Ensign have planted garlic cloves to grow this winter.

The school district has turned our water off because the pipes will freeze in cold weather.

How will our garlic grow if we don't water it?

## Clue #1

Gardeners usually plant their garlic in the fall.

## Clue #3

There are three states of matter.

## Clue #2

There are four seasons in Utah's temperate climate.

My guess is...
