

ENSIGN ARTS NEWSLETTER

Ensign has many arts opportunities for students! For returning families, many of these are the same as prior years with some twists. For new families, ask your students about what they are doing in art classes and check the descriptions below for information on how to be involved with specific programs of interest to you.

MUSIC

K-3 students at Ensign have access to 30 minute music classes weekly with Amy Schelble and 4-6 students have music through the district fine arts department. Check folders for details on seasonal performances for different grade levels throughout the year.

VISUAL ART

Kathleen Fifield is the Beverly Taylor Sorenson Arts Learning Program (BTSALP) teacher who leads weekly classes. Check student folders for supply requests or details on the culminating Gallery Stroll in February.

DANCE & DRAMA

These forms have been incorporated into assemblies with past projects by Repertory Dance Theater. The PTA hopes to grow opportunities in these areas!

STEAM FAIR

New this year is a school-wide art contest for younger students to coincide with the traditional Science Fair in January. Details to come next month!

MEET MISS AMY

Periodic arts newsletters will profile the amazing faculty, staff, and families who support art at Ensign. First up is Amy Schelble, a K-3 music specialist funded by parent donations at Gallery Stroll!

Amy is a certified music educator with 19 years of experience in Pennsylvania, Utah, Hawaii, Venezuela, China and the Czech Republic. She holds a B.S. in Music Education from West Chester University and a M.S. in International Education from Framingham State University. When Amy is not teaching music, she enjoys spending time with her family, gardening, cooking, listening to music, playing, reading and socializing. Miss Amy believes that everyone deserves to be musical and looks forward to sharing her love of music with your children.
