

DECEMBER ARTS NEWSLETTER

MUSIC

Congratulations to all students who participated in Fall & Winter Concerts with the PTA funded music specialist Miss Amy, district music specialists Ms. Alvarez, Mr. McCallister, and Ms. Wade but not least of all, the amazing classroom teachers who lead music with their students for Veterans Day and the Winter Holidays!

STEAM FAIR

See the reverse of this newsletter for reminders about the STEAM Fair in January. Pick up entry forms in the Main Office before winter break, complete projects by January 14th, visit the fair on January 15th.

REFLECTIONS

Congratulations to all Ensign Eagles who participated in the Utah PTA contest. Six students have pieces advancing to regionals which can be viewed at Highland High on Wednesday January 8th, reception at 6:30, awards at 7pm. Thank you Clare Evans for coordinating!

ARTS ARE REWARDING!

For staying on green, all students experienced an assembly with Ailine's Touch of Polynesia. The performance included music and dance from Ensign students!

THANK YOU!

BTSALP specialist Mrs. Fifield appreciates all of the upcycled supplies collected by families. For her spring printmaking she could use more Babybel cheese mesh bags, feel free to drop them in the art room or Main Office, labeled with her name.

ARTS ARE FUNDED WITH FAMILY SUPPORT! SAVE THE DATE FOR GALLERY STROLL - FEBRUARY 28TH. DONATIONS AT THIS EVENT CAN HELP US SUSTAIN & GROW ARTS PROGRAMMING!

WHETHER YOU'VE COME TO A WORKSHOP OR STILL NEED AN IDEA, THERE IS TIME TO ENTER STEAM FAIR!

Students can submit arts projects related to Scientific Cycles and/or complete Science Fair boards. All entry forms and guidelines can be found in the Main Office labeled for your grade level and project type.

WHEN ARE SUBMISSIONS DUE?

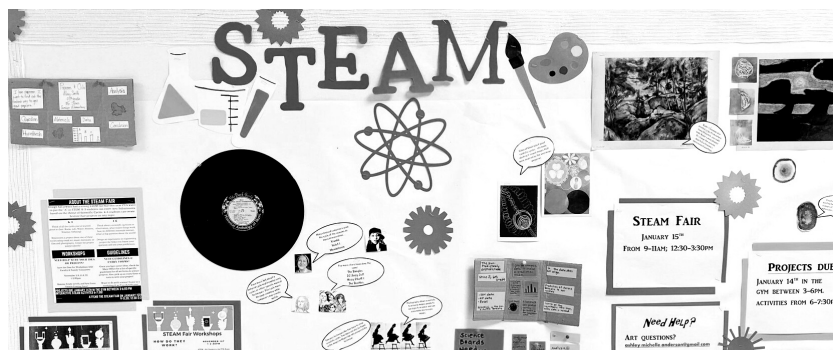

Projects are due Tuesday January 14th in the Gym between 3:00-6:00pm

HOW CAN I SEE THE FAIR?

Visit the Gym on Wednesday January 15th from 9-11:30 or 12:30-2:30

STILL NEED IDEAS?

Science Fair packets can be found in the Main Office and art suggestions have been shared with classroom teachers. Also? Check out the Bulletin Board at the school entrance (thanks Marci!)
